

*Whereas*, The Academic Integrity Committee has discussed the issue of preserving old examinations with permission of the professor or the Dean of the Library, and

*Whereas*, The exams would be made available to students via the electronic reserves, accessible from the Galvin Library website, thus leveling the academic playing field by providing students equal access to the exams as study aids, and

*Whereas*, SGA Senators would be able to help in this effort by encouraging their constituents to gather old examinations and contact their professors regarding permission to have their examinations included in this collection, be it

*Resolved*, That the Student Government Association Senate is in support of the plans of Galvin Library in conjunction with the Academic Integrity Committee.
